OPERATIONAL GUIDELINES ON DAIRY ENTREPRENEURSHIP DEVELOPMENT SCHEME

1. Background
1.1. Department of Animal Husbandry, Dairying and Fisheries, (DAHD&F) GoI during the year 2005-06 launched a pilot scheme titled “Venture Capital Scheme for Dairy and Poultry”. The main objective of the scheme was to extend assistance for setting up small dairy farms and other components to bring structural changes in the dairy sector. Assistance under the scheme is extended in the form of Interest Free Loan (IFL) to individuals, SHGs, NGOs, Cooperatives, companies for selected components. As on 31 March 2010, 15368 units were extended IFL assistance of Rs 146.91 crore throughout the country.

1.2. An evaluation of the scheme revealed that the scheme had created a major impact in the area of financing of milch animals in some States and the farmers at ground level derived benefit from the scheme. The study has recommended to remove the restrictive clause on financing of milch animals in Operation Flood areas. Further, there are requests from many quarters including farmers, State Animal Husbandry Departments and banks to convert the mode of implementation of the scheme from IFL to capital subsidy mode.

1.3. After detailed discussions with all the stakeholders, it has been decided by DAHD&F, the nodal department to change the mode of implementation, revise the existing unit costs and bring some more components for assistance under the purview of the scheme. As the scheme aims at promoting entrepreneurial qualities, the revised scheme has been named as "Dairy Entrepreneurship Development Scheme" (DEDS).

2. Objectives of the scheme
- To promote setting up of modern dairy farms for production of clean milk
- To encourage heifer calf rearing thereby conserve good breeding stock
- To bring structural changes in the unorganized sector so that initial processing of milk can be taken up at the village level itself.
- To bring about upgradation of quality and traditional technology to handle milk on a commercial scale
- To generate self employment and provide infrastructure mainly for unorganized sector.

3. Implementing period and Area of operation
The scheme will be implemented during the remaining XI plan period throughout the country without restrictions applicable to Operation Flood areas for financing of milch
animals. The scheme will come into effect from 1 September 2010 i.e proposals sanctioned and disbursed by the banks on or after 1 September 2010 shall be covered under the revised scheme i.e DEDS and sanctions under the old scheme (DVCF) will not be entertained thereafter.

4. Eligibility

4.1. Farmers, individual entrepreneurs, NGOs, companies, groups of unorganised and organized sector etc. Groups of organized sector include self help groups, dairy cooperative societies, milk unions, milk federations etc.

4.2. An individual will be eligible to avail assistance for all the components under the scheme but only once for each component

4.3. More than one member of a family can be assisted under the scheme provided they set up separate units with separate infrastructure at different locations. The distance between the boundaries of two such farms should be at least 500m.
